Coming Soon—Changes to Automated Giving Program:

For many years we have offered parishioners the opportunity to make weekly offertory contributions through an automatic debit to their checking account or a charge to their credit card. We will continue to offer this opportunity to parishioners; however for a number of reasons, we have decided to engage a new partner to operate this program for us. **Faith Direct** is the leading E-giving provider for the Catholic community. Its program is efficient and secure. More information about this program will be provided in subsequent bulletins.

Low Gluten Host

St. William of York will now offer an alternative for those who cannot tolerate gluten. The low gluten host that is offered meets the requirement set forth by the Roman Catholic Church for communion in terms of ingredients and gluten content. (The code of Canon Law #924:2 states that the bread must be “only wheat.” Breads which are low in gluten content are also considered valid.) They are endorsed for use by the Holy See and the United States Conference of Catholic Bishops.

These Hosts are made from wheat starch and water, the gluten content of these hosts is less than 0.01%. We recommend that you contact your health care provider to determine the suitability of the host. If you are interested in receiving this alternative at Mass you must contact the parish office no later than 12 noon on the Friday before the Saturday or Sunday on which you wish to receive the host, because it must be consecrated separately, and kept separately in order to keep the host from being contaminated.

Pilgrim Virgin Sign-Up

Sign up today at the Legion of Mary table at the Food Festival, to have the Pilgrim Virgin statue at your house for a week. We are also distributing free literature and prayer materials so please visit our table.
